Joseph has also served our world by working with fellow educators in Tanzania, Africa to help them build a school in a community that did not have one, giving students the opportunity to attend and learn.

JERRY KUMIN, (Gerald Kumin, M.D.) was born in Cleve., Ohio in 1943. He graduated public high school and studied at Franklin-Marshall College in Lancaster, Pa. where he graduated in 3 years. His entire medical education was completed at the University of Pennsylvania School of Medicine. After graduation with high honors at the top of his class, he became an expert in internal medicine with subspecialty in nephrology. He practiced 35 years in Atlanta. He had a clinical appointment with Emory for 10 years. Realizing that prevention of diseases and management without Rx as band aids

provided superior outcomes, he became an expert in natural healing , nutrition and the use of spices and herbs. With the inability to continue delivery of excellent medical care because the medical insurance industry rather than MD's now decided on medical care, he retired from medical practice. In 2012 After moving to Naples Jerry has transferred all his proven skills to care giving in real estate. As a professional real estate consultant, he continues to work 24/7 and delivers unexpected spectacular services. He is double certified green with an expertise in indoor air quality.
